

# Gourmet Festival 'Tokyo Tokyo Delicious Museum' Scheduled to be held from May 16 (Fri) to May 18 (Sun)

JAPAN, February 4, 2025

/EINPresswire.com/ -- The Tokyo Tokyo Delicious Museum 2025 Executive Committee and the Tokyo Metropolitan Government will host a large-scale gourmet festival, "Tokyo Tokyo Delicious Museum," showcasing Tokyo's diverse culinary delights to people across Japan and around the world.

The event, featuring popular restaurants from Tokyo, will take place over three days from May 16 (Fri) to May 18 (Sun), 2025, in Ariake, Tokyo.

At last year's event, about 64,000 visitors attended, with many expressing their appreciation for Tokyo's high-quality cuisine, the enjoyable atmosphere of simply walking through the venue, and their desire to visit the featured restaurants in person.

Now in its fourth edition, this year's festival will feature over 40 renowned restaurants from Tokyo, trending restaurants featured in the media, and historic long-established eateries.

Additionally, to celebrate the Sales of Sake, Shochu, etc. designation as a UNESCO Intangible Cultural Heritage in December 2024, the festival will offer a selection of Japanese sake and shochu for purchase.

Sushi-Making Experience 1

Furthermore, to provide a more immersive experience beyond just eating, we will hold workshops on Japanese food culture and live music performances, welcoming visitors of all ages, from children to adults.

In particular, the workshop will provide a rare opportunity to learn how to professionally make sushi, one of the iconic elements of Japanese cuisine.

English-speaking staff will be available at the venue, ensuring that international visitors can enjoy the event with ease.

For more details, visit our official website and follow us on social media, where we will be providing regular updates of our featured menu and exclusive promotional offers.

Workshops to Experience Japanese Food Culture  
Sushi-Making

This workshop allows participants to learn how to make sushi directly from a sushi chef. Experienced professionals, including a sushi master with over 30 years of experience and a former head chef at a top Tokyo restaurant, will provide clear and easy-to-follow guidance. Take this opportunity to experience Japan's traditional craftsmanship firsthand. They can also enjoy the sushi they make themselves.
