

ARAX Holdings Corp. Receives Letter of Intent for the Acquisition of 50% Interest in @Copper Namibia

ARAX's mission is to transform commodity trading and trade finance through its DeFi solutions, powered by its proprietary BaaP digital asset management system

NEW YORK, NY, UNITED STATES, January 30, 2025 /EINPresswire.com/ -- ARAX Holdings Corp., a global leader in blockchain-based enterprise solutions, is pleased to announce that it has received a Letter of Intent (LOI) for the acquisition of 50% interest in @Copper Namibia, a private limited company specializing in the processing of lumpy materials containing copper and silver into concentrate materials for industrial applications.

“

This LOI marks a significant step in ARAX's strategy in DeFi commodity trading. We are not only securing high-value resources but also enabling more efficient and profitable processing solutions”

Micheal Loubser - CEO

This strategic acquisition aligns with ARAX's mission to transform commodity trading and trade finance through its decentralized financial (DeFi) solutions, powered by its proprietary Blockchain as a Platform (BaaP) digital asset management system.

Through this partnership, @Copper Namibia will leverage ARAX's fully blockchain-integrated trade finance platform, ensuring enhanced transparency, security, and efficiency across the supply chain.

The platform will facilitate real-time tracking, tokenized trade finance solutions, and automated smart contracts to optimize transactions from raw material extraction to industrial processing.

As part of this initiative, ARAX will introduce:

- A Fully Blockchain-Based Trade Finance Platform – enabling digital asset-backed financing and real-time settlement.
- DeFi-Powered Trade Solutions – providing secure, tokenized financing solutions for copper and silver concentrate trading.
- [Luna° Mesh](#)-Enabled Connectivity – improving communication and data tracking for remote mining operations.
- [Core Blockchain](#) and [CorePass](#) Integration – ensuring secure identity verification and compliance across all transactions.

Strategic Impact and Future Vision

This acquisition underscores ARAX's commitment to revolutionizing trade finance by offering blockchain-based transparency and liquidity solutions to the global mining and industrial sectors. The integration of DeFi and tokenized finance into copper and silver commodity trading will set a new industry standard, allowing seamless, secure, and decentralized financial management.

"This Letter of Intent marks a significant step in ARAX's strategy to digitize and decentralize commodity trading. By integrating @Copper Namibia into our blockchain-powered trade finance ecosystem, we are not only securing high-value resources connected to unique digital assets but also enabling more efficient, transparent, and profitable industrial processing solutions," said Michael Loubser, CEO of ARAX Holdings Corp.

ARAX and @Copper Namibia will now proceed with due diligence, structuring, and regulatory processes to finalize the transaction. Further updates will be provided as developments progress.
