

Dart Tech and LNS Solutions Unite to Deliver Phenomenal IT Client Experiences

TAMPA, FL, UNITED STATES, February 4, 2025 /EINPresswire.com/ -- Dart Tech and LNS Solutions have joined forces to operate under the Dart brand, becoming the leading Managed Service Provider in the Tampa Bay area. The new Dart is redefining the region's IT services landscape. Dart provides local businesses with scalable, forward-thinking solutions tailored to meet the challenges of today's changing market.

“LNS and Dart Tech have always shared a deep respect for each other and the common goal of our clients’ success,” said John Lorelle, former owner of LNS Solutions and now CEO of the new Dart. “By blending our resources and skills, we are building a stronger, more innovative organization that will set new standards for excellence and help clients thrive in an increasingly connected world.”

“

By blending our resources and skills, we are building a stronger, more innovative organization that will set new standards for excellence and help clients thrive in an increasingly connected world.”

John Lorelle, Dart CEO

A New Era for IT Solutions

Operating under the established Dart brand, the strategic merger combines Dart Tech’s expertise in cutting-edge technology with LNS Solutions’ personalized, client-focused approach. Leveraging the strengths of these two industry leaders, the new Dart is committed to innovation, growth, and delivering tangible results, ensuring local businesses succeed.

The integration of Dart Tech and LNS Solutions is more than a business move—it’s a commitment to shaping the future of IT client experiences. As the leading Managed Service Provider in Tampa Bay, the new Dart offers comprehensive support for businesses of all sizes in the key areas of cloud computing, cybersecurity, Managed IT services, and consulting services.

What This Means for Clients

Expanded Expertise: The united organization brings together top talent from both companies, supported by a national team of over 350 skilled professionals, providing clients with unparalleled expertise and advanced capabilities.

Enhanced Services: Clients benefit from a broader portfolio of IT solutions, including advanced cybersecurity measures, seamless cloud integration, and proactive managed services.

Continued Excellence: The new Dart remains committed to the personalized, responsive service that both Dart Tech and LNS Solutions clients have come to trust.
