

Convoso Wins 2025 Winter Leader Award by SourceForge

Award represents a volume of strong user reviews on the software comparison site, recognizing Convoso's highly reviewed dialing solution for call centers

LOS ANGELES, CA, UNITED STATES, January 31, 2025 /EINPresswire.com/ --

[Convoso](#), the leading AI-powered contact center platform for revenue teams, announced that it has been awarded the Winter 2025 Leader Award by [SourceForge](#), the world's largest software review and comparison website. The award recognizes exceptional companies and products with a high volume of recent excellent user reviews that puts them in the top fifth percentile of highly reviewed products on SourceForge.

“

“Convoso has been named a Leader this winter...and the large volume of outstanding user reviews they have received are proof of the best-in-class solution they provide to their customers.”

Logan Abbott, President of SourceForge

“It's my pleasure to award the Winter 2025 Leaders on SourceForge,” said Logan Abbott, President of SourceForge. “Convoso has been named a Leader this winter in the [Predictive Dialers](#), AI Dialers, Power Dialers, Progressive Dialers, and Preview Dialers categories, and the large volume of outstanding user reviews they have received are proof of the best-in-class solution they provide to their customers. Congratulations and keep up the great work!”

“This award is meaningful to our team because the many positive reviews reflect the persistent hard work and

dedication of everyone to put our customers first and innovate the very best solutions to help their businesses grow,” said Nima Hakimi, CEO and Co-Founder of Convoso. “We thank SourceForge for the forum and the acknowledgement.”

About Convoso

Convoso is a leading AI-powered contact center platform purpose-built for revenue teams. Since

2006, Convoso has remained at the forefront of innovation, consistently developing solutions to drive customer growth while supporting adherence to regulatory standards.
