ITEXPO 2025 will be held between February 11 and 13, 2025, at the Broward County Convention Center, Fort Lauderdale, Florida.

HoduSoft to Showcase Its Cutting-Edge Solutions at ITEXPO 2025

It is one of the most important events globally for IT professionals, C-suite executives, managed service providers (MSPs), internet service providers (ISPs), internet telephony service providers (ITSPs), business owners, resellers, channel partners, and solutions providers. The three-day event will be attended by more than 400 exhibitors and 7000 attendees.

HoduSoft will be stationed at booth number 1740 and will be represented by Co-founder and CTO Bharat Lalcheta, Co-founder and CBDO Kartik Khambhati, and Product Manager Kashyap Dhamecha who will share their expertise and insights on the company's innovative UC solutions.

The team of experts will provide live demonstrations of both cutting-edge communication solutions. Interested buyers can use the 'HoduSoft25' coupon code to get a 25 percent discount on their all-access superpass.

Expressing his enthusiasm about the event, the company's Co-founder and CBDO Kartik Khambhati said, "After the grand success of last year ITEXPO, we are thrilled to participate in this year's ITEXPO with renewed enthusiasm and vigor. We are looking forward to showcasing both our cutting-edge and award-winning solutions at ITEXPO 2025. We are also excited to announce our 'HoduSoft25' coupon code, using which interested buyers can get a 25 percent discount on

their all-access superpass!"

Speaking more about the solutions, he added, "By ensuring consistent interactions and seamless customer engagement, regardless of the channel, our robust IP PBX software- HoduPBX is engineered not only to meet the communication needs of contemporary businesses but also professional service providers such as MSPs, ISPs, ITSPs, and telecom companies. The solution has many USPs that makes it perfect for a wide array of use cases."

Echoing the sentiment, HoduSoft's Co-founder and CTO Bharat Lalcheta remarked, "Over the last few years, HoduSoft has been a regular participant at the ITEXPO and this year we are proud and delighted to attend the prestigious event! We are looking forward to engaging with a wide array of industry professionals and discussing how our solutions can be beneficial for them."

"Our HoduPBX IP PBX software is tailored for MSPs, ISPs, ITSPs, and various other professional service providers. This event will provide us with the perfect opportunity to engage with professionals in respective service providers and industry experts as well as discover new ways to improve business outcomes."

Providing insights into the company's flagship solutions, Kashyap Dhamecha, product manager at HoduSoft, said, "With over 10 years of experience in the VoIP industry, I am humbled to be part of the ITEXPO 2025. That's because we won't be sharing our company's vision or our solutions' use cases to the visitors alone, but we will also learn from them about their businesses, challenges, and unique needs. We will also gain massive insights into their respective sectors."

"That will only drive us forward to customize our VoIP-based audio-video conference solutions, contact center solutions, and multi-tenant IP PBX systems to meet the evolving needs of modern businesses," he added.

Over the past few years, both HoduPBX and HoduCC have featured in the news for winning several prestigious awards and recognition.
