Tom Harblin, a partner at Entrex, added, "OTC's decision positions us to aggressively advance our strategic initiatives. Our immediate priority is to finalize the acquisition of a Bitcoin mining facility in Oklahoma, with ten additional sites in the pipeline this quarter. The ability to resume filings is a critical step that will help accelerate our execution strategy."

Watkins further noted, "This morning, our team updated our OTC profile, and we are committed to expediting our filings to maintain full market compliance."
