AI in Medical Coding

## Empowering Medical Coders Through Credentialing

With the growing demand for skilled medical coders, PMBAUSA LLC has taken the lead in offering free and subsidized certifications to trained professionals worldwide. This initiative aligns with its mission to bridge the skills gap in medical coding and billing by offering high-quality, internationally recognized credentials.

## Comprehensive List of Medical Coding Credentials Offered

Under this initiative, PMBAUSA LLC has awarded free enrollments and certifications in its premier programs, empowering trained and certified medical coders to advance their careers at no cost. The certifications covered under this initiative include:

- CAIMC® - Certified AI Medical Coder (AI-based coding and automation)
- FIMC® - Fellowship in Medical Coding- For Novice Coders
- FIMC®-HCC - Fellowship in HCC Coding (Risk Adjustment and HCC Coding)
- FIMC®-IP - Fellowship in Inpatient Coding (MS-DRG and IPPS coding expertise)
- FIMC®-Surgery - Fellowship in Surgery Coding (Advanced CPT, modifiers, and surgical case coding)
- FIMC®-Anesthesia - Fellowship in Anesthesia Coding (ASA, anesthesia modifiers, and billing compliance)
- FHIM® - Fellowship in Health Information Management (Comprehensive HIM training)
- CPMB® - Certified Professional Medical Biller (Medical billing expertise, compliance, and reimbursement)
- CMCC® - Certified Medical Coding Consultant (For experienced coders, focusing on advanced auditing and consultancy)
- CodersGrade® – Medical Coding Internship

Medical Coding AI

### Global Reach & Impact

This initiative benefits medical coders, healthcare professionals, and students across multiple countries, particularly in the USA, India, and emerging markets. By making credentialing more accessible, PMBAUSA LLC is equipping professionals with industry-recognized certifications that improve job prospects and elevate global healthcare standards.

## Supporting Workforce Development in Medical Coding

“This initiative, backed by MEDESUN Prime, the parent company of PMBAUSA LLC, aims to empower healthcare professionals, bridge skill gaps, and strengthen the global medical coding workforce. The certifications are copyrighted by MEDESUN, ensuring that medical coders receive industry-leading training and validation of their expertise.

By investing \$2M in certification programs, we are not just providing credentials – we are fostering a new generation of highly skilled medical coders who can drive accuracy and efficiency in healthcare documentation.”

### About PMBAUSA LLC

PMBAUSA LLC is a premier provider of medical coding, billing, and health information management training. With a commitment to excellence, PMBAUSA LLC has helped thousands of professionals secure rewarding careers in healthcare compliance, reimbursement, and medical coding.
