BOCA RATON, FL, UNITED STATES, February 3, 2025 /EINPresswire.com/ -- Dr. Joshua Cohen will become the acting Medical Director of the Cohen Laser & Vision Center. Dr. Joshua Cohen will be taking over the role from his father, Dr. G. Richard Cohen, who is retiring.

Dr. Joshua Cohen is no stranger to the patients of Cohen Laser & Vision Center, as he has been serving patients there as a board-certified ophthalmologist for several years.

Cohen Laser & Vision Center (CLVC) offers comprehensive eye care services to patients throughout Florida. Their board-certified eye doctors specialize in providing the safest and most advanced [LASIK and corneal procedures](#), [cataract and lens replacement surgeries](#),

complex glaucoma treatments, dry eye services and general eye exams. CLVC takes a sophisticated, evidence-based approach to ocular and visual health and always puts patient safety and satisfaction as its highest priorities.

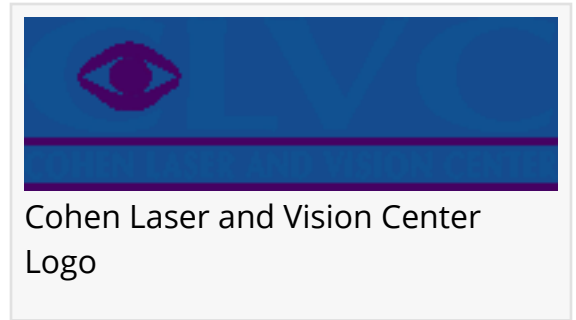

Dr. Joshua Cohen looks forward to carrying on the tradition of providing exceptional and state-of-the-art refractive cataract and corneal surgery to South Floridians.

When Dr. Joshua Cohen is asked what makes CLVC such a popular choice for people to seek eye care, he says, "We are a smaller practice, and we know all of our patients by name. Our receptionists, staff, and our medical techs have been here for a long time. I think our patients feel that sense of trust and camaraderie when they come in and meet with us."
