

Dr. Scott Kamelle Named a Castle Connolly Top Doctor for 2025

MILWAUKEE, WI, UNITED STATES, January 31, 2025

[/EINPresswire.com/](#) -- Milwaukee, WI – [Dr. Scott Kamelle](#), a dedicated Gynecologic Oncologist known for his compassionate care and innovative approach to treating ovarian and uterine cancers, has been honored as a Castle Connolly Top Doctor for 2025. This recognition reflects Dr. Kamelle’s commitment to his patients, his field, and the ongoing pursuit of better outcomes for women facing cancer.

For [Dr. Scott Kamelle](#), being named a Top Doctor is more than an accolade—it’s a reflection of the trust his patients place in him and the collaborative efforts of the teams he works with. “This honor isn’t just about me,” he says. “It’s about the patients who inspire me every day and the incredible colleagues who make this work possible. Together, we’re making a difference in the lives of women and their families.”

A Career Built on Compassion and Innovation

[Dr. Scott Kamelle’s journey in medicine](#) began with a Bachelor of Science in Chemistry from UC Berkeley, followed by his medical degree from Boston University School of Medicine. After completing his residency at the University of Pennsylvania and a fellowship in Gynecologic Oncology at the University of Oklahoma, he dedicated his career to advancing cancer care.

Over the years, Dr. Scott Kamelle has become a trusted name in his field. He has served as an Associate Professor at the University of Wisconsin-Madison, chaired Aurora Health Care’s Robotic Steering Committee for over a decade, and led groundbreaking research on ovarian carcinoma and HPV prevalence. But what truly sets him apart is his ability to connect with patients on a personal level, ensuring they feel supported and empowered throughout their journey.

What This Recognition Means

The Castle Connolly Top Doctors list is one of the most respected in the medical community.
