

# PLC Group Announces Agreement with Frontier Towers to Enhance Tower Management Capabilities

*PLC Group is pleased to announce an agreement with Frontier Towers, Philippines', to deploy a cutting-edge RMS.*

MISSISSAUGA, ONTARIO, CANADA, February 3, 2025 /EINPresswire.com/ -- PLC Group, a worldwide provider of [critical infrastructure](#) solutions for MNOs and towercos, is pleased to announce an agreement with Frontier Towers, Philippines' leading independent tower company, to deploy a cutting-edge Remote Management System (RMS) to enhance Frontier Towers' infrastructure management capabilities.

The PLC Group's [RMS solution](#) will enable Frontier Towers to bridge visibility gaps in their existing system, optimize equipment performance, and extend the lifespan of their assets. This advanced technology will also empower Frontier Towers to improve operational efficiency and SLA performance.

"We are excited to partner with Frontier Towers and support their mission to provide world-class tower infrastructure services in the Philippines," said Nasir Mahmood, CEO of PLC Group. "Our RMS solution will enable Frontier Towers to streamline their operations, reduce costs, and deliver exceptional service quality to their customers."

Key benefits of the RMS solution include:

- \* Enhanced visibility: Real-time monitoring and control of tower infrastructure to optimize performance and reduce downtime
- \* Extended equipment life: [Predictive maintenance](#) and automated alerts to prevent equipment failures and reduce maintenance costs
- \* Increased revenues: Improved capacity utilization, reduced energy consumption, and enhanced customer satisfaction to drive revenue growth

The partnership underscores PLC Group's commitment to delivering innovative solutions that drive business success and operational efficiency anchored by PLC's flagship AxIn (Actionable Intelligence) SW platform.
