PITTSBURGH, PA, UNITED STATES, February 3, 2025 /EINPresswire.com/ --

For years, [Indra Energy](#) has proudly supported Tickets for Kids, a non-profit organization dedicated to enriching the lives of children in need through access to enriching experiences. Indra Energy has generously donated tickets to Pittsburgh Penguins games through

Tickets for Kids, enabling children to create lasting memories and escape their everyday struggles.

Tickets for Kids plays a vital role in opening doors of opportunity for children in our community

who may not otherwise have access to such experiences.

By providing access to events, including Penguins games,

Tickets for Kids fosters personal growth, sparks

imagination, and helps children develop a sense of wonder

and possibility. Over the past 30 years, Tickets for Kids has

achieved remarkable milestones. They have facilitated

access to over 3.9 million tickets, valued at more than \$90

million, connecting children and families with inspiring and

joyful experiences that would otherwise be out of reach.

This year, Indra Energy is honored to announce they are

sponsoring Tickets for Kids' 30th Anniversary Celebration

“

By providing access to these enriching experiences, Tickets for Kids is creating a brighter future for our youth and we are grateful to support it.”
