

Church Security Conference Seeks to Reduce Community Related Violence

As House of Worship related violence increases, the House of Worship Safety & Security Conference offers a practical approach to church safety and security.

PACIFIC, MO, UNITED STATES, February 2, 2025 /EINPresswire.com/ -- The rise of violence and safety concerns in houses of worship has become a pressing issue in recent years. In response to this, the House of Worship Safety & Security Conference, 2025 is set to take place on May 2nd and 3rd at Lighthouse Church, Pacific, MO. The conference aims to equip church leaders and security personnel with the necessary knowledge and skills to prevent and respond to potential threats.

The House of Worship Safety & Security Conference will feature expert speakers and trainers who will share their insights and experiences on various security and safety topics. Attendees will learn about risk assessment, emergency response planning, and active shooter training, among other essential topics. The conference will also provide practical tips and strategies for creating a secure and welcoming environment for worshippers. This annual conference is

held yearly in various locations around the United States, by the [Church Safety](#) Guys, a non-profit
