The team will provide hands-on demonstrations of Cyviz’s advanced technologies. Attendees can

“

ISE provides the perfect platform to connect with industry leaders and showcase our innovative solutions. This year is a milestone as we debut our fully integrated, future-proof control room setup.”

Espen Gylvik | Cyviz, CEO

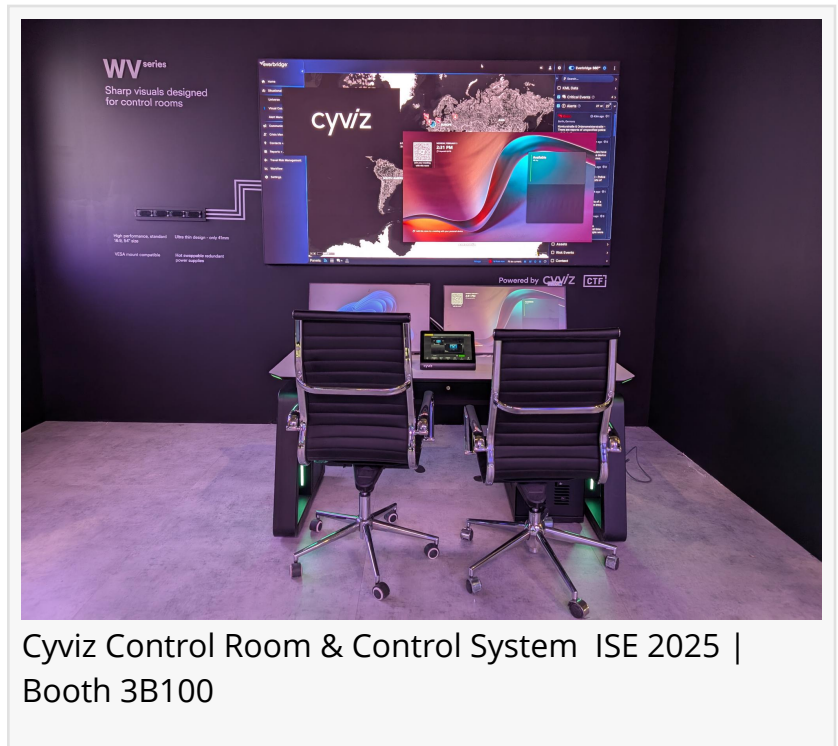

explore high-resolution visualization systems that provide unparalleled clarity for mission-critical environments, as well as integrated collaboration tools featuring native [Microsoft Teams](#) support for seamless hybrid meetings and streamlined teamwork.

Espen Gylvik, CEO of Cyviz, stated: “ISE provides the perfect platform to connect with industry leaders and showcase our innovative solutions. This year is a milestone as we debut our fully integrated, future-proof control room setup. We’re excited to demonstrate how Cyviz enables smarter, faster decision-making for complex

environments.”

Cyviz will also highlight advanced turnkey control room solutions, simplifying design and implementation through commercial-off-the-shelf offerings. The company's scalable, adaptable technologies are built to evolve with changing operational requirements, ensuring future-proof designs.

John Harald, EVP Europe at Cyviz, emphasized the importance of collaboration and innovation: "We are thrilled to partner with INFiLED to present sophisticated, customer-centric display solutions that enhance user experiences and operational efficiency. As technology evolves, organizations need adaptable, intelligent [control rooms](#) and that's exactly what we deliver."
