

Tammy Tiller-Hewitt to Speak at ACHE 2025 Congress on Healthcare Leadership, Joining Industry Titans and Thought Leaders

HOUSTON, TX, UNITED STATES, February 4, 2025 /EINPresswire.com/ -- Tiller-Hewitt HealthCare Strategies is proud to announce that CEO Tammy Tiller-Hewitt, FACHE, will take the stage at the highly prestigious American College of Healthcare Executives (ACHE) 2025 Congress on Healthcare Leadership, the premier event for healthcare executives nationwide.

ACHE Congress draws over 6,000 top healthcare professionals, thought leaders, and decision-makers from across the country. The 2025 ACHE Congress - will be held at the George R. Brown Convention Center in Houston, Texas - featuring an impressive lineup of world-renowned speakers, including best-selling author and leadership expert Brené Brown, as well as influential healthcare executives leading the transformation of the industry.

On Wednesday, March 26, Tiller-Hewitt will co-present the session "Things Fall Apart: A Playbook for Leading Through Disruption and Derailment Towards Growth and Success." She will be joined by two esteemed healthcare leaders:

Dr. Charles D. Callahan, Executive Vice President of Health Affairs - UHealth Toledo
Dr. Staci Rogers, Chief Transformation Officer - CoxHealth

This timely and compelling session will equip healthcare leaders with a strategic playbook for navigating today's volatile, uncertain, complex, and ambiguous (VUCA) healthcare landscape. With firsthand insights from seasoned executives, attendees will gain actionable strategies for leading through disruption, overcoming obstacles, and positioning their organizations for long-term growth.

As a nationally recognized expert in strategic growth, physician engagement, and high-performance leadership, Tammy Tiller-Hewitt has spent decades helping healthcare organizations nationwide accelerate growth, foster physician integration, and optimize team performance. Under her leadership, Tiller-Hewitt HealthCare Strategies has become a trusted partner for hospitals and health systems seeking to achieve measurable results and drive sustained success.
