martinwolf Founder and Chairman Marty Wolf: "I first met Seth in 2004 when he was President of Manchester Technologies (Nasdaq: MANC). We sold his business in 2 stages. First, we divested his solution provider to a strategic. Then we sold his wholesale display business to a PE firm in a public to private transaction. A relationship had started and we kept in touch. In 2013, we decided it was a good time for Seth to join the firm. Since then, he has been a major contributor advising some of the leading service/IT companies on both sell side and strategic buy side engagements. In his new role, he will be responsible for taking the firm to the next level. He has extremely sound business judgement and I am confident he will leverage what he inherits and maximize it for our clients and employees alike."
