Goldbergs bakes more than 500 dozen bagels every weekday and more than 1,000 dozen on the weekends. Today, more than 22 varieties—from salt, to asiago cheese, to super cinnamon—can be smeared with any of a dozen flavors of house-made cream cheeses, nova or hummus. Using an Old-World method, the handmade bagels are given a swift boil and are then set upon redwood boards, where they bask in a rotating, 500-degree oven until browned to an ideal

crispness.
