

Smilepath Now Offers In-Person Scan Option On Top Of At-Home Kits For Clear Aligners Treatment

With in-person scanning, the company makes clear aligners treatment more accessible while catering to diverse customer preferences across Australia.

SYDNEY, NEW SOUTH WALES,
AUSTRALIA, February 5, 2025

/EINPresswire.com/ -- Smilepath, a leading provider of remote clear aligner solutions in Australia, has announced a new partnership with scan centers nationwide, offering customers the option to get their dental scans in person for a convenient start to their teeth straightening journey.

3D scan for custom aligner plan

Customers can now easily book an appointment at a partner scan center near them directly through [Smilepath's website](#). The scan appointment is available for a low, upfront [cost of just \\$150](#), payable online at the time of booking. This fee will be rebated towards the total cost of treatment should the customer decide to purchase a full aligner plan with Smilepath.

The process is simple:

1. Book an Appointment: Visit SmilePath's website and find your nearest 3D Scan Center to book an appointment.
2. Get Scanned: The partner dentist will take a fast and accurate 3D scan of your teeth.
3. Start Your Journey: They will use the scan to generate a treatment plan, according to your requirements.

This new option underscores Smilepath's commitment to providing affordable, convenient, and high-quality [clear aligner treatment](#). By offering both remote impressions and in-person scanning, the company caters to a wider range of customer preferences and makes achieving a confident smile more accessible than ever.
