A Bold Vision: ACUITÉ VISUELLE at Royalmount

In 2024, Dr. Harina expanded her mission to elevate optometric care with the grand opening of AIV - ACUITÉ VISUELLE in the iconic ROYALMOUNT shopping district, Canada’s first 100% carbon-neutral development. A Journey Defined by Passion and Excellence

Dr. Harina's love for optometry began over 20 years ago, rooted in her fascination with the complexities of eye health. This passion led her to earn her Doctorate in Optometry from the Université de Montréal in 2012, and she has since become a trailblazer in the field.

Through her clinics, Dr. Harina has touched the lives of over 65,000 patients, logging more than 20,000 hours of hands-on experience.
