About Cyberize It, LLC

Cyberize It, LLC is an innovative online notary service that leverages technology to simplify the notarization process. By offering a convenient and secure platform, Cyberize It aims to eliminate the challenges associated with finding and meeting with a notary in person. The company is dedicated to making notary services more accessible to individuals and businesses, saving them time and resources. For more information, visit <https://notary.cyberizeit.com/>.

Cyberize It, LLC was founded in March of 2021. Offering its software solution in more than 36 states.

Cyberize It, LLC is a small, 100% woman owned business based out of Mount Gilead, Ohio. Created by a long-term Notary, Amy realized that the software options for Notaries just did not meet her needs, standards, or requirements.

Cyberize It, LLC offers a streamlined process where individuals can upload a document and connect to a notary, as well as allows for the Notary to setup their own client base and facilitate the notarization directly with them.

Cyberize It, LLC is a Certified as an Ohio Women Owned Business, and a LGBT Business Enterprise®
