“

I've heard from doctors all across the country who are looking for hands-on marketing help. What makes this event unique is that we'll be doing much of the work together during the event.”

Dr. Weston Spencer

Henry Schein are proud to announce their upcoming [Dental Marketing Summit](#), an exclusive, hands-on workshop for dentists looking to take control of their marketing and drive practice growth. The event will take place on Friday, April 25, 2025, in the picturesque coastal city of Del Mar, California. With only 50 seats available, attendees can expect an intimate, interactive experience designed to deliver actionable insights and strategies.

This all-day workshop will feature seven targeted sessions focused on helping dental professionals:

-Boost Referrals: Implement a proven referral-generation playbook to grow your patient base through internal marketing.

-Ramp Up Production Quickly: Discover how to leverage Google Ads and social media advertising for immediate results.

-Secure Long-Term Growth: Master local SEO strategies to attract high-quality patients consistently.

-Convert More Traffic into Leads: Learn to use CRM tools and website testing to turn visitors into appointments.

-Track What Works: Get a clear understanding of campaign performance with actionable attribution methods.

Attendees will gain step-by-step guidance on building a marketing plan for the rest of 2025 and beyond, utilizing proven playbooks specifically designed for dental practices. The summit promises to take the guesswork out of growth, empowering dentists to apply marketing leverage to fill their practices with the patients they love.

“Effective marketing was a major turning point in my business,” shares Dr. Weston Spencer, owner of [Smile More La Jolla](#) and event organizer. “I’m excited to share what’s working right now with other doctors to attract better quality patients month after month.”

Attendees will participate in a workshop experience, getting the rare chance to work on their business with the help of other doctors and industry professionals. Attendees will return back to their practice with actionable strategies to elevate their marketing efforts and secure sustained growth, from boosting referrals to mastering digital advertising and local SEO.
