What is Synchrony Car Care?

Synchrony Car Care™, from Synchrony Bank, is an industry-leading financing solution tailored specifically to the automotive industry. Designed to help drivers manage their vehicle-related expenses, Synchrony Car Care™ partners with businesses like Pro Tint of Orlando to provide customers with easy access to deferred interest

financing and flexible payment plans.

The payment plans offered by Pro Tint of Orlando through Synchrony Car Care™ range from six (6) to twelve (12) months, helping to ease the burden of paying the full upfront cost for their automotive services. Qualifying purchase amounts range from \$199 to \$5,000.

Customers who are approved for Synchrony Car Care™ will pay no interest if the purchase amount is paid in full during the payment term. Additionally, the Synchrony Car Care™ credit card is accepted at thousands of participating automotive merchants across the United States\*\*.

With a reputation for quick approval processes and customer-centric support, Synchrony Car Care™ ensures that drivers can protect and enhance their vehicles with confidence and ease.

### What the Partnership Means for Central Florida Customers

Synchrony Car Care™, a well-established leader in automotive financing, offers a range of payment plans that allow customers to select terms that best suit their financial situation. By partnering with Synchrony, Pro Tint of Orlando is empowering customers to access high-quality automotive services such as 3M window tinting, paint protection film, vinyl wraps and ceramic coatings - without the immediate burden of full payment.

“We are always looking for ways to better serve our customers and help them make the most of their automotive investments,” said Earl, from of Pro Tint of Orlando.

“Our new partnership with Synchrony Car Care™ allows us to provide greater flexibility in how our clients manage the cost of services they want for their vehicles. Whether it’s ceramic window tint for privacy and comfort, or paint protection film for the highest level of protection against road hazards, we want to ensure that our customers can enjoy these benefits without worrying about the upfront cost.”

The deferred interest financing program means that customers who qualify will have the option to pay for their services over time, with the added benefit of no interest accruing if the balance is paid in full within the specified promotional period. For many, this is an ideal way to manage larger purchases, such as 3M paint protection film, which can range from several hundred to several thousand dollars depending on the vehicle and level of coverage selected.

### Accessing Synchrony Car Care Financing

Getting started with the new financing option is easy. Customers can apply for Synchrony Car Care™ financing either online or in person at Pro Tint of Orlando. Once approved, the customer can complete their purchase without having to wait a physical card to be delivered in the mail.

Synchrony Car Care's™ application process is quick, and approvals are often be granted on the spot, allowing customers to have their desired automotive services performed without delay.
