

Lionbridge Games Expands Operations with Second New Facility in Mexico City

Strengthens its in-market presence to bolster LATAM Spanish capabilities for Localization, Audio, and Global Multimedia

MEXICO CITY, MEXICO, February 6, 2025 /EINPresswire.com/ -- [Lionbridge Games](https://www.lionbridgegames.com), the premier video game globalization and publishing services partner, is excited to announce its continued expansion into the Latin American (LATAM) Spanish market with the opening of a second facility in Mexico City, Mexico. With this

significant milestone in its global growth strategy, Lionbridge Games is now fully operational across Latin America, including its current facilities in Mexico City, Mexico; São Paulo, Brazil; and San José, Costa Rica. This expansion will enable the company to better serve its global customers' LATAM Spanish needs with in-market localization and audio, as well as extend its multimedia team to North America.

“

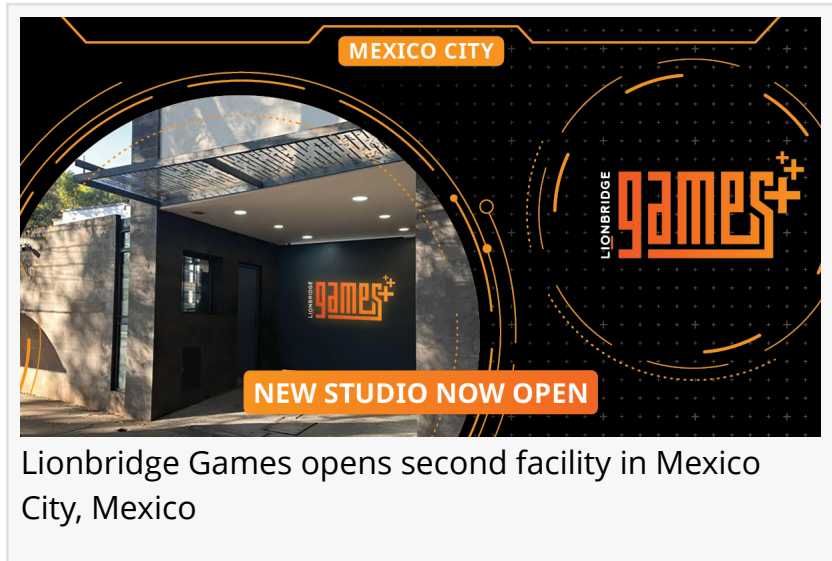

By expanding our operational geography, we are solidifying our position as a leading provider of comprehensive game services.”

Tugdual Delisle, Managing Director, Lionbridge Games

“We are excited to broaden our footprint in this dynamic market,” said Michel Bams, Senior Director of Global Content Delivery. “Our second office in Mexico City allows us to provide world-class localization, audio, and multimedia services, ensuring that we meet the growing demands of our customers in this thriving gaming region.”

The new studio is home to an on-site localization team, a

new audio studio, and multimedia talents, and complements the company's first Mexico City location, a state-of-the-art Test lab. This expansion underscores Lionbridge Games' commitment to serving the global gaming community by offering its full suite of services in key regional gaming centers.
