

WALKER SOLUTIONS Partners with VIVANT WINE to Introduce Innovative Wine Chilling Solutions in Singapore

SINGAPORE, SINGAPORE, February 5, 2025 /EINPresswire.com/ -- WALKER SOLUTIONS is proud to announce its partnership with VIVANT WINE (ATEK TECHNOLOGY CORP.), becoming the first distributor in Singapore to offer the revolutionary Venus Portable Electronic Wine Chiller and the Titan Portable Electronic Decanter Chiller. This collaboration aims to elevate the wine experience for enthusiasts and professionals across Singapore.

WALKER SOLUTIONS, known for its commitment to providing top-quality products and services in the beverage industry, recognizes the growing demand for precise temperature control in wine service. With VIVANT's advanced technology, the Venus and Titan chillers are designed to ensure that every bottle of wine is served at its optimal temperature, enhancing the overall tasting experience.

Our electronic products incorporate advanced semiconductor microchips, certified long-lasting batteries, and dual cooling technology to ensure red, white, or sparkling wines maintain their optimal serving temperature in any setting.

Venus Portable Electronic Wine Chiller: A Game-Changer for Wine Lovers

The Venus Portable Electronic Wine Chiller is engineered for convenience and efficiency. Its sleek design allows wine to be chilled rapidly without the need for traditional ice buckets. The device utilizes high-efficiency cooling technology to bring wine to the perfect serving temperature in minutes.

Titan Portable Electronic Decanter Chiller: Unmatched Quality for Professionals

The Titan Portable Electronic Decanter Chiller is tailored specifically for the discerning wine connoisseur. With its professional-grade features and elegant aesthetics, the Titan ensures that red and white wines are maintained at ideal temperatures, offering an unparalleled experience in wine service.

Quotes from Leadership
