CA, UNITED STATES, February 5, 2025 /

EINPresswire.com/ -- Dr. Frank J. Veith, one of America's most distinguished vascular surgeons, announces the release of his compelling new book, [The Medical Jungle](#). A gripping memoir and industry exposé, the book takes readers on an extraordinary journey through a half-century of medical breakthroughs, professional challenges, and unwavering dedication to patient care.

Dr. Veith, a pioneer in life- and limb-saving medical advances, is a professor of surgery at NYU and the Cleveland Clinic, and chairman of VEITHsymposium, the world's largest vascular surgery conference. Throughout his illustrious career, he has held leadership positions in numerous national and international vascular societies and has authored or co-authored over 900 scientific articles. His contributions to the field have been widely recognized, including the prestigious Society for Vascular Surgery Distinguished Lifetime Achievement Award and an endowed chair in his honor at NYU.

In *The Medical Jungle*, Dr. Veith provides a candid, behind-the-scenes look at the medical profession, exposing the self-serving forces that often hinder progress while recounting his relentless efforts to challenge the status quo. His story serves as an inspiration for professionals in any field to stand up for what is right, even in the face of adversity. The New York Times has aptly described him as "an unlikely radical," a title that reflects his courage in advocating for innovation and ethical patient care.

"Medicine, like any field, has its share of obstacles," says Dr. Veith. "But true progress comes from those willing to take risks, challenge the system, and push for change, even when it's unpopular. *The Medical Jungle* is not just my story—it's a call to action for anyone committed to making a

difference.”

Perfect for healthcare professionals, students, and anyone interested in the complexities of the medical world, The Medical Jungle delivers an eye-opening perspective that extends beyond medicine into broader themes of leadership, integrity, and perseverance.
