“

Our double wide mobile homes are about providing space and comfort that can accommodate any lifestyle.”

*Andy Toscano*

Double wide mobile homes are an ideal choice for families and individuals looking for the comfort of traditional housing without the hefty price tag. These homes are notably spacious, featuring open floor plans, large bedrooms, and ample living areas that provide the perfect setting for family gatherings and entertainment. "Our double wide mobile homes are about providing space and comfort that can accommodate any lifestyle," says Andy

Toscano, Manager at Manufactured Housing Consultants.

The inventory at Manufactured Housing Consultants includes homes from trusted manufacturers like Clayton Homes, Fleetwood, and TruMH, ensuring that every home is built to the highest standards of quality and durability. Models vary in size from 1,000 to 2,400 square

feet and are available in various layouts to ensure that every buyer finds a home that suits their taste and requirements.

Price-wise, these double wide mobile homes are positioned to offer exceptional value, ranging from \$60,000 to \$130,000, making them an accessible option for budget-conscious buyers. Each home is equipped with modern amenities such as energy-efficient appliances, stylish fittings, and contemporary decor options that appeal to today's aesthetic preferences and functional demands.

Manufactured Housing Consultants Offers High-Quality Mobile Homes for Sale

"Choosing a double wide mobile home means investing in a lifestyle of comfort and convenience, without compromising on quality or breaking the bank," adds Toscano. "Our team is dedicated to helping clients navigate their housing options to find the best fit for their budget and lifestyle."
