

# Constance Moofushi Maldives: Mastering Sustainability in the South Ari Atoll

SANTA MONICA, CA, UNITED STATES, February 6, 2025 /EINPresswire.com/ -- [Constance Moofushi Maldives](#) in the South Ari Atoll has successfully earned the prestigious Green Globe Platinum certification, affirming the resort's outstanding dedication to sustainable tourism, environmental conservation, and community engagement. This certification acknowledges Constance Moofushi's continuous efforts to reduce its environmental footprint while promoting eco-friendly practices throughout the resort.

Constance Moofushi Maldives

Green Globe Certification, the world's leading certification program for sustainable tourism, commends Constance Moofushi Maldives for its strong commitment to preserving the natural beauty of the Maldives and supporting responsible tourism initiatives. The resort's sustainable practices, including beach clean-ups, coral conservation efforts, and cutting-edge food safety technology, have set a new standard for the hospitality industry in the region.

“

Green Globe Platinum certification is a true reflection of the tireless work and passion of our team, and we will continue to innovate and lead the way in eco-conscious hospitality.”

*Mr. Mevin Ramasamy,  
General Manager*

“We are thrilled to become a Green Globe certified Platinum member for our ongoing commitment to sustainability,” said Mr. Mevin Ramasamy, General Manager at Constance Moofushi Maldives. “Our goal is not only to enhance the guest experience but also to ensure that we are protecting the environment and supporting the local community. Green Globe Platinum certification is a true reflection of the tireless work and passion of our team, and we will continue to innovate and lead the way in

eco-conscious hospitality.”

Among the resort's notable contributions to sustainability are its Generosity Challenge, a yearly

charity event that raises funds for local causes, and the Whale Shark Research Donation Program, which supports vital research and conservation efforts for one of the Maldives' most iconic marine species. Constance Moofushi also participates in regular beach clean-ups with local island communities and has pioneered a paperless HACCP monitoring system to improve food safety standards while reducing paper waste.

As part of its PlastICK Initiative, Constance Moofushi leads the way in reducing plastic waste in the Maldives, demonstrating the resort's

commitment to a plastic-free future. The initiative has already been recognized as the Best Sustainability Initiative of 2024 among Constance Hotels, showcasing the resort's proactive role in inspiring both guests and the local community to adopt more sustainable practices.

"Each of these initiatives contributes to the resort's broader mission of environmental stewardship, and we are immensely proud of the positive impact we are making," Mr. Mevin Ramasamy added.

Constance Moofushi Maldives is also known for its coral conservation efforts, with marine biologists on staff working to create coral frames that encourage coral growth in the surrounding waters. The resort's commitment to protecting these vital ecosystems, combined with its leadership in sustainable tourism, underscores its role as a pioneer in eco-friendly hospitality.

Constance Moofushi Maldives joins an exclusive group of destinations worldwide committed to creating a greener future. The Green Globe Platinum certification highlights the resort's continued efforts to preserve the region's natural beauty, ensure a sustainable future for the Maldives, and inspire travelers to support responsible tourism.

Constance Moofushi Maldives is a luxury all-inclusive resort offering guests a tranquil and eco-conscious experience in the beautiful South Ari Atoll. The resort is known for its exceptional service, stunning overwater villas, and pristine beaches. In addition to providing an idyllic getaway, the resort actively supports sustainability through initiatives such as its commitment to reducing energy consumption and promoting sustainable food practices. They also emphasize supporting local communities and preserving the marine ecosystem, ensuring that guests can enjoy the natural wonders of the Maldives responsibly.
