

Attorney Brian P. Murphy Closes out December 2024 with over \$1.4 Million in Settlements for His Clients

Wrongful Death Attorney Brian P. Murphy successfully resolved New Jersey & Pennsylvania nursing home cases whose settlements exceeded \$1.4 Million in Dec. 2024.

WASHINGTON CROSSING, PA, UNITED STATES, February 26, 2025

/EINPresswire.com/ -- The Law Firm of Brian P. Murphy, PC, announces that in December 2024 [Nursing Home Malpractice](#) and [Wrongful Death](#) Attorney Brian P. Murphy successfully resolved several New Jersey and Pennsylvania nursing home cases amounting to more than \$1.4 million in settlements. The cases involved bedsores injuries and falls resulting in fractures.

Bedsore, which occur when an immobile individual is left lying too long in one position, can become severe, life-threatening wounds. Murphy persuasively argued that the bedsores in each case, one of which resulted in death, were avoidable injuries that resulted from the neglect of his client's care providers. He asserted that the nursing homes had failed to take the proper precautions necessary to prevent the development and deterioration of the wounds, including conducting accurate skin assessments, comprehensive care plans, and implementing important interventions. Each of the nursing homes recognized Murphy's compelling arguments and settled their cases rather than facing a jury.

Using a range of arguments, Murphy also effectively argued that falls and fractures sustained by a client were due to a nursing home's failure to properly assess his client for fall risk and

implement necessary fall prevention protocols to prevent his elderly and vulnerable client from sustaining a fall that caused multiple painful fractures. Murphy successfully demonstrated that the nursing home staff was responsible for the fractures his client suffered as a result of the falls at the nursing home.

“These were hard-fought cases.” says Murphy. “My clients are all very pleased with the results. I personally take great satisfaction in knowing that the nursing homes were held accountable for their failures and that I was able to provide my clients with not only significant compensation for their losses, but also a sense of closure from what was an

emotionally fraught experience.”
