[Specialty Company](#), America's premier accent furniture provider since 1930, announces an extensive collection of [nightstands featuring modern designs, trending colors, and premium finishes](#). The expanded lineup includes popular collections like Chatham, Lark, Nora and Halmstad, offering versatile options for contemporary living spaces.

"Our latest nightstand collection reflects our commitment to combining timeless craftsmanship with modern design sensibilities," says David Bergman, CEO of Butler Specialty Company. "We've carefully curated these pieces to complement various interior styles while maintaining the quality our customers have trusted for over 90 years."

The expanded collection showcases diverse style categories, including Coastal, Mid-Century, Modern/Contemporary, Traditional/Formal, and Transitional designs. Notable features include:

- Comprehensive color palette spanning classic neutrals to contemporary hues
- Multiple finish options across various wood grains
- Distinctive collections including Amelle, Bar Harbor, and Easterbrook
- Styles ranging from single-drawer designs to more elaborate storage solutions

"We understand that today's homeowners seek furniture that balances functionality with aesthetic appeal," Bergman adds. "Each piece in our nightstand collection is designed to be 'the brightest spot in your room' while offering practical storage solutions for modern living."

Butler Specialty Company continues its tradition of monthly product launches, ensuring fresh

designs regularly join the collection. The company serves multiple distribution channels across the United States and Canada, including e-commerce platforms, retail stores, interior designers, and hospitality sectors.
