

# Florida Mesothelioma Victims Center Urges the Family of a HVAC Repairman with Mesothelioma or Lung Cancer Anywhere in Florida to Call the Gori Law Firm--More Capable Lawyers-Better Compensation Results

TAMPA , FL, UNITED STATES, February 11, 2025 /EINPresswire.com/ -- The Florida Mesothelioma Victims Center says, "If your husband or dad is a former HVAC repair person in Florida or anywhere in the nation and they have just developed mesothelioma or lung cancer, please call the Gori Law Firm anytime at 866-532-2106 to discuss financial compensation. The Gori Law Firm has an office in Orland, they have offices throughout the nation, and they are one of the nation's most significant law firms that has dedicated most of their resources to representing people with mesothelioma or asbestos exposure lung cancer and they consistently obtain significant compensation results for their clients.

"Prior to the mid-1980s almost all furnaces, boilers and air conditioning equipment in the USA contained asbestos. HVAC repairmen or technicians would have had daily exposure to asbestos- especially if they were repairing or replacing furnaces, or boilers. In most instances old boilers were completely insulated on the outside with asbestos and the interior of furnaces had significant asbestos insulation before the early 1980s. While most people are not aware that asbestos exposure related to furnace or boiler repair was a huge problem-but it was.

"If your husband or dad in Florida or anywhere in the nation is a former HVAC repair person and he now has mesothelioma or lung cancer please call the Gori Law Firm anytime at 866-532-2106. Hire better lawyers-get better compensation results."
