

# Libra Software Group Acquires Kato Integrations

*Libra Software Group has acquired Florida-based Kato Integrations Corporation, a leader in Application Programming Interface (API) solutions.*

IL, UNITED STATES, February 6, 2025 /EINPresswire.com/ -- Libra Software Group announces it has acquired Florida-based Kato Integrations Corporation, a leader in Application Programming Interface (API) solutions for the IBM Power Systems integrated operating system (IBM i).

Kato Integrations will operate as an independent division within Libra Software Group, enhancing its IBM i Portfolio of solutions. Kato Integrations will continue to develop, enhance, service, and support its market-leading software toolkits providing a competitive edge to its customers.

"Kato Integrations is a great addition to our growing portfolio of IBM i solutions," said Andy Hodge, Libra Software Group CEO. "We are delighted to welcome Kato with their proven API solution kits for IBM developers and their impressive, company-wide focus on maximizing customers' return on investment".

"We are excited to be working with Libra Software Group," said Quentin Kregel, Chairman of Kato Integrations. "Not only do they have extensive experience in IBM i development; they share our dedication to providing excellent customer service and a focus on advancing technology."

## About Libra Software Group
