

CompuGroup Medical US's ARIA Revenue Cycle Management Services Ranked #1 for Second Year in a Row

Second year in a row, proving sustained excellence. Customers recognizing strengths in both results and relationship-based account management.

AUSTIN, TX, UNITED STATES, February 11, 2025 /EINPresswire.com/ -- Today, for the second year in a row, [CompuGroup Medical US](#) (CGM), is pleased to announce that its ARIA Revenue Cycle Management service has been recognized as [Best in KLAS® for Ambulatory RCM Services \(EHR-Associated\)](#) in the 2025 Best in KLAS: Software and Services Report. CGM is also a leading provider of innovative healthcare IT solutions including Electronic Health Records (EHR), Practice Management (PM), and Laboratory Information Systems (LIS).

The prestigious award, based on unbiased customer feedback, is continuing evidence of the excellence of the services delivered by CGM's ARIA Health Services as it continues to help customers focus on their patients.

"This award proves that ARIA's systematic and highly effective revenue cycle management service is benefiting our customers every single day" stated Benedikt Brueckle, Chief Executive Officer of CGM in the US. "Our customers have unique needs in a challenging financial environment. We are so pleased that they have recognized our unique tailored, team-based approach is creating the financial outcomes that help them focus on our mutual goal of keeping the focus on optimal patient care."

"Congratulations to the 2025 winners of the Best in KLAS awards! Winning a Best in KLAS award signifies a commitment to delivering outstanding value and innovation to healthcare providers and patients alike. It is my hope that these awards inspire the winners and other companies to reach new heights," said Adam Gale, KLAS CEO

This award proves that ARIA's systematic and highly effective revenue cycle management service is benefiting our customers every single day"
