Nino Severino, founder and content editor of Netstar Lifestyle Magazine said this in her interview with Sennza Media, "We have been experiencing great growth in visitors to our online magazine over recent years. We have listened to the feedback survey from our website visitors as to the content and experience they seek. We have seen the importance of also staying at the leading edge of technology to keep in touch with our clients the way they expect and to communicate in the best way possible the array of information we provide to our website visitors."

The blog has been in operation for over 10 years and is committed to meet client needs both in the information they provided readers and technology they use. The leading Australian online lifestyle magazine has a long history of regularly featuring Australian industry sectors and companies.
