

ClearView Imaging Center Brings Early Detection CT Scanning to The Villages, Florida

Early detection is a game changer!

THE VILLAGES, FL, UNITED STATES, February 7, 2025 /EINPresswire.com/ -- ClearView Imaging Center is thrilled to announce its expansion into The Villages, Florida, at 3325 Wedgewood Lane, The Villages, FL 32162. Our mission is to empower individuals with the life-saving potential of early detection CT scans, now conveniently accessible in this vibrant community. Construction is underway, and we're excited to open our doors in June 2025. Visit us online at www.clearviewimaging.com or call us at 352-714-SCAN (7226) for more information.

Early Detection: A Key to Health and Longevity

ClearView Imaging Center specializes in advanced, low-dose CT scanning that requires no physician referral. Early detection CT scans offer unparalleled benefits by identifying potential health risks before symptoms arise. Our patients are encouraged to undergo annual scans, allowing us to monitor their health proactively. This approach ensures that any changes are identified promptly, enabling patients to take swift, informed steps toward treatment.

Peace of Mind Through Cutting-Edge Technology

Our non-invasive, low-dose CT scans detect the smallest irregularities months, or even years, before symptoms of heart disease, cancer, or other critical conditions become apparent. With ClearView Imaging, patients receive peace of mind knowing they have a proactive tool for maintaining their health.

Comprehensive Scanning Services

ClearView Imaging Center offers a variety of scans to suit individual health needs:

Full-body cancer screening

Heart scans

Lung scans

Abdominal scans

Virtual colonoscopy

Bone density scans

These services are designed to detect silent threats like cancer, tumors, and heart abnormalities, significantly increasing patients' chances of early intervention and improved outcomes.

A Commitment to The Villages Community

"We're honored to bring ClearView Imaging Center to The Villages," said Co-Founder Martin Gramatica. "Our mission is to provide peace of mind through early detection, empowering patients with the knowledge they need to take control of their health. The Villages is an incredible community, and we're excited to be a part of its journey toward healthier living."

Super Bowl champion Martin Gramatica also expressed his support for early detection, stating, "Early detection is a game changer."

ClearView Imaging combines state-of-the-art technology with a patient-centric approach, offering a seamless, accessible path to better health for residents of The Villages and surrounding areas.

For updates on our progress and services, please visit our website at www.clearviewimaging.com or contact us at 352-714-SCAN (7226). We look forward to serving The Villages community starting June 2025.
