

Raziel Launches: The All-in-One Alternative Asset Management Platform for Smarter Investing

Raziel simplifies alternative asset management with AI-powered tools, real-time insights, and a unified dashboard for smarter investment decisions.

LOS ANGELES, CA, UNITED STATES, February 11, 2025 /EINPresswire.com/ -- [Raziel](#), a next-generation [alternative asset management platform](#), has officially launched, offering a unified solution for investors to track, analyze, and optimize diverse asset portfolios. Raziel streamlines investment management by consolidating startup investments, real estate, cryptocurrency, and public equities into a single, AI-powered dashboard.

The screenshot displays the Raziel investment dashboard. At the top, there are four key metrics: Total Investments (12), Current Value (\$3.4M), ROI (+115%), and Unrealized Profit/Loss (\$ +110%). Below these is a table of companies with columns for Investment Vehicle, Investment Amount, Current Value, Valuation Cap, Current Valuation, Share Price, Shares Owned, ROI, Ownership %, and Last Update. A notification bubble indicates 'Stripe raised a new Series D' with a '+110%' increase. A modal window for 'ANDURIL' is open, showing investment details for \$10B Post-Money and \$1M Allocation. A 'View investment >' button is visible below the modal.

Raziel.vc's AI-powered investment dashboard provides investors with a clear, data-driven view of their portfolio, enabling real-time tracking of investments, valuation growth, and new opportunities in private markets.
