

# Bali-based Singer Shervin Bolorian's New Single and Video Dedicated Child Refugees

*Shervin Bolorian, a Global Peace Song Winner, drew upon his own refugee experience for the peaceful anthem "This is Your Time" which released worldwide today.*

BALI, INDONESIA, February 7, 2025 /EINPresswire.com/ -- Acclaimed Peace Song Awardee, vocalist and songwriter [Shervin Bolorian](#) teams with GRAMMY and Emmy-winning producer Kipper Eldridge (Sting's "Brand New Day") and a Palestinian-American peace builder in dedicating his new music single and video "[This is Your Time](#)" to the world's millions of child refugees. This original song is the second single off Bali-based Bolorian's forthcoming album, *Unbroken*, to be released on Hi-Phi Records in later 2025.

"This is Your Time" is an authentic and tenderly-sung record with a humanitarian message drawing upon Bolorian's own tragic past as an Iranian refugee and his inspirational journey of hope. The powerful music video juxtaposes Bolorian's uplifting vocals with footage witnessing the struggles and resilience of refugee children across the world. A preview of the song's music video was praised by delegates at the Global Peace Summit on January 16, 2025 in Bangkok. [Watch the video today!](#)

Eldridge collaborated with Bolorian to shape and hone the sounds of "This is Your Time", which features Bolorian performing an ancient Middle Eastern flute known as the Persian Ney, as well as his delivering another magnetically-charged vocal performance with an inspiring chorus hook, a rich array of multi-stacked backing vocals and surreal instrumentation.

"Immigrants and refugees everywhere are growing in number and many are demonized,"

Bolorian asserts in reference to the recent anti-refugee actions from Washington D.C. 'This is Your Time', uses music to balance the narrative, delivering a real-life story of overcoming risks and losses to choose peace and life. "Not enough people are aware of what refugees must do to survive forced displacement, or the courage needed to build new lives for themselves and their families."

The song is inspired by a poem by Arab-American refugee, Manal Omar, although Bolorian is firm that the theme of this song is a universal and relatable one for all audiences. He explores difficult themes of shadow and light. "Most of our toughest pain remains unheard because of trauma blockages. It's essential as artists that we speak out to hold a mirror on the collective heartbreak of 30 years of war and displacement; to not let our past tragedies define our futures," Bolorian reasons.

"Each of us has been an outsider or outcast in one way or another," he stresses, "stronger empathy is the most profound precursor to healing for anyone."
