LOS ANGELES, CA, UNITED STATES, February 11, 2025 /EINPresswire.com/ -- NLTV Studios has announced that celebrated actor Nico Seedsman has been cast in the lead role of its upcoming dramatic action thriller series, "BLACK TIDE." With an already impressive career trajectory, Seedsman has quickly established himself in the film industry with standout supporting roles in two major motion pictures—one streaming on Apple TV and another on Paramount+. His ability to bring intensity, depth, and authenticity to his performances has made him one of the most compelling actors working in the action-thriller genre today.
