

# Avere Beauty Launches Customized Bridal Experience Program

*Pittsburgh's leading med spa joins introduces comprehensive bridal beauty programs for wedding preparation.*

PITTSBURGH, PA, UNITED STATES, February 8, 2025 /EINPresswire.com/ -- [Avere Beauty](#), a premier med spa serving Pittsburgh and surrounding communities such as Murrysville, Export, and Greensburg, today announced the launch of its comprehensive [bridal](#)

[experience program](#), combining customized skincare treatments, injectables, and weight management solutions designed specifically for brides-to-be and their wedding parties.

The program offers personalized treatment timelines beginning 6-12 months before the wedding day, featuring services such as Botox, dermal fillers, laser hair removal, chemical peels, and the newly introduced Semaglutide weight management program under the direction of Maddy Rudoy, NP.

"Our Bridal Experience program addresses the complete spectrum of pre-wedding beauty and wellness needs," says Frank Udavcak, Business Director at Avere Beauty. "We understand that every bride's journey is unique, which is why we've developed customizable treatment plans that align with individual wedding timelines and beauty goals."

Avere Beauty's bridal experience is thoughtfully crafted to address the unique needs of each client. From skin rejuvenation to weight management, their team of experienced estheticians and injectors offers guidance on creating the perfect timeline to achieve optimal results. Services include:

- Skincare Regimens: Custom plans incorporating cleansing, toning, moisturizing, and exfoliating, along with advanced treatments like chemical peels for a luminous complexion.
- Injectables: Botox and fillers to refine and accentuate natural beauty, recommended six months to a year in advance.

- Laser Hair Removal: State-of-the-art Cartessa devices deliver virtually pain-free treatments, ensuring smooth, hair-free skin.
- Specialized Treatments: Microneedling, radiofrequency, and CO2 laser treatments for concerns like acne, scarring, and skin laxity.
- Weight Management: Overseen by Nurse Practitioner Maddy Rudoy, the new program offers monthly evaluations and tailored approaches using Semaglutide for healthy and sustainable weight loss.

The program is available at both Avere Beauty locations in Lawrenceville and Murrysville, serving clients throughout Pittsburgh and surrounding areas, including Cranberry, Fox Chapel, Mt. Lebanon, Sewickley, and Squirrel Hill.

Client testimonials highlight the impact of Avere Beauty's personalized approach. "This is my third time seeing Haley at Avere and it's been great every time! She is friendly, kind, caring, honest and attentive. I am always confident in her as my provider and I'm always so happy with my results!" shares Kara Fouse, a recent client.

Another client, Victoria Bivins, notes: "These ladies are simply the best! I want to keep trying new services just to hang out and Kiki with the girls. I've gotten a hydrofacial, cool peel, the most natural looking lip injections, and laser hair removal. Obsessed is an understatement. I just turned 31 and these girls keep me looking like I'm still 25."

The program includes carefully timed treatments to ensure optimal results for the wedding day. Services begin with consultations and initial treatments 6-12 months before the wedding, followed by maintenance treatments and final touch-ups in the weeks leading up to the celebration.
