

World-Renowned Bariatric Surgeon Dr. Amit Taggar Opens Tampa Weight Loss Institute in Tampa, Florida

Tampa's newest weight loss center offers advanced robotic bariatric surgery, free consultations, and personalized care at multiple surgery locations.

TAMPA, FL, UNITED STATES, February 8, 2025 /EINPresswire.com/ -- [Dr. Amit Taggar](#), a globally recognized leader in robotic bariatric surgery, is proud to announce the grand opening of the [Tampa Weight Loss Institute](#). Located at 1502 W Fletcher Ave #107, Tampa, FL 33612, the institute is dedicated to helping individuals achieve their weight loss goals through advanced surgical techniques and personalized care.

We treat every patient like a member of our family. I'm thrilled to bring advanced robotic bariatric surgery to the Tampa community and offer a personalized approach that prioritizes long-term success"

Dr. Amit Taggar

Dr. Taggar's expertise has made him a sought-after mentor in the field of bariatric surgery, hosting the world's #1 case observation site since 2021 and training surgeons from around the globe, including Egypt, India, Spain, and Austria. He has performed live surgical demonstrations at leading international conferences, such as the Society of Robotic Surgery and the American Society for Metabolic and Bariatric Surgery (ASMBS). Now, he brings his wealth of experience and passion for patient care to Tampa.

"At Tampa Weight Loss Institute, we treat every patient like a member of our family," said Dr. Taggar. "Our goal is to empower individuals with the tools and support they need to achieve life-changing results. I'm thrilled to bring advanced robotic bariatric surgery to the Tampa community and offer a personalized approach that prioritizes long-term success."

Comprehensive Services and Convenient Options:

Tampa Weight Loss Institute offers a full range of weight loss solutions in Tampa, FL, including Roux-en-Y gastric bypass, vertical sleeve gastrectomy, modified duodenal switch, single anastomosis gastric bypass, and bariatric revisional operations. For non-surgical weight loss, the institute also provides medications such as Semaglutide and Tirzepatide.

To ensure patient convenience, the institute offers surgeries at several major locations in Tampa, including:

Advent Health Wesley Chapel (2600 Bruce B. Downs Boulevard, Wesley Chapel, FL 33544)

HCA South Florida (2901 W Swann Ave, Tampa, FL 33609)

Comprehensive Outpatient Joint and Spine Institute (15238 Virginia Station, Odessa, FL 33556)

Patients can choose the most convenient location for their surgery, making high-quality care easily accessible.

Flexible Payment and Financing Options:

Tampa Weight Loss Institute is committed to making bariatric care affordable and accessible.

The institute accepts all major insurances and offers the nation's lowest self-pay prices. In

addition, patients have access to financing

through CareCredit and BlisCare—the latter providing financial certainty for self-pay patients by covering unexpected costs related to surgery. The institute also participates in the Lantern network, allowing patients to receive support through their employers who are part of the network.

Personalized Support Every Step of the Way:

For added convenience, Tampa Weight Loss Institute offers both on-site and virtual appointments, along with free consultations for new patients. “We understand that every patient’s journey is unique,” added Dr. Taggar. “That’s why we offer a personalized, compassionate approach that combines cutting-edge technology with the warmth and understanding of family.”

About Tampa Weight Loss Institute:

Tampa Weight Loss Institute was founded by Dr. Amit Taggar to provide advanced robotic bariatric surgery and comprehensive weight loss solutions in a compassionate, patient-focused environment. The institute is dedicated to transforming lives and empowering patients to achieve lasting health and wellness.
