*Organizations Can Now Transition Seamlessly to Pebb.io at No Cost as Meta Workplace Nears Its August Shutdown*

DE, UNITED STATES, February 10, 2025 /EINPresswire.com/ -- [Pebb](#), the all-in-one team communication platform, has officially launched free migration for [Meta Workplace](#) customers, helping organizations transition seamlessly before Workplace shuts down at the end of August.

Meta Workplace Alternative - Pebb Communication platform

The platform provides the same essential features that Workplace users rely on—work chat, a dynamic news feed, knowledge library, and groups—but at a far more affordable \$3.50 per member pricing model.

“Meta Workplace’s shutdown left thousands of organizations searching for a new home,” said Ben Johnson CMO at Pebb. “We’ve designed Pebb to feel familiar to Workplace users while offering a smoother, more cost-effective experience. And now, we’re making migration effortless—at no cost.”
