NEW YORK, NY, UNITED STATES, February 10, 2025 /EINPresswire.com/ -- As the new year kicks off, a ground-breaking children's book series is set to ignite imaginations and take young minds on a thrilling journey through the vibrant history of Hip Hop. Easy A.D., a co-founding member of the Legendary Cold Crush Brothers, is pulling back the curtain on Hip Hop's origins, sharing the personal stories of both iconic figures and unsung heroes who transformed a cultural movement into a global phenomenon.

More than a Biography: A Time-Traveling Adventure
The inaugural book, "[I Am Hip Hop Book Series: Easy A.D. of the Legendary Cold Crush Brothers](#)," isn't just a biography – it's a time machine. Through Easy A.D.'s own words, kids will experience the highs and lows, the dreams and triumphs of the Cold Crush Brothers as they helped shape the very fabric of [Hip Hop culture](#).

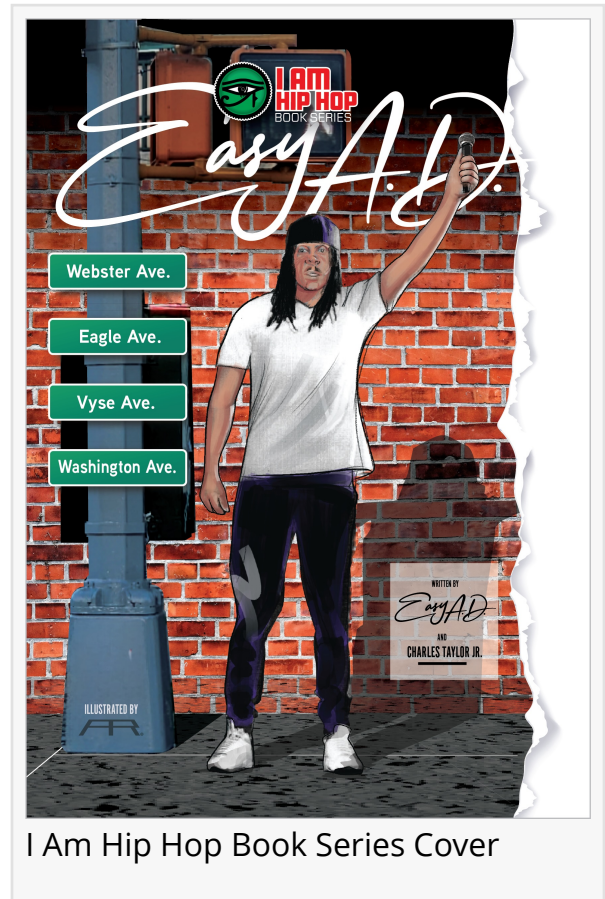

Easy A.D.'s Vision: Empowering Young Voices

"We're not just telling stories," Easy A.D. explains.

"We're sharing a living, breathing culture that has touched every young person in some way – the music they groove to, the clothes they rock, the words they use, the art they create. We want them to know that they can dream big and use their own unique voices to change the world. Every kid has a piece to add to the Hip Hop mosaic."

DMC: Passing the Torch from Pioneer to Pioneer

Why this children's book series? Because, as DMC of Run-DMC eloquently puts it in the book foreword, "A.D. is Hip Hop! He's the real deal, living and breathing the 'I AM' spirit. He's faced challenges, but he's never wavered from his values. Now, he's sharing his inspiring journey and the stories of other Hip Hop pioneers in a way that celebrates the culture and empowers kids to chase their dreams and make a difference. When Easy A.D. says HE IS HIP HOP, he speaks the truth!"

A.D.: From the Bronx to the World,
Inspiring the Next Generation
A.D.'s passion is contagious. He's
crisscrossed New York City, motivating
kids to pick up books and live healthy
lives. Their energy, their curiosity, their
resilience – it fuels him. He remembers
his own journey, from playing in a
school band in the Bronx to rocking
stages in Japan. He sees the same
spark in the eyes of today's youth. A.D.
wants young readers to walk in the
shoes of Hip Hop's creators. He wants
them to feel the excitement of
discovering their talents, the thrill of
collaborating with others, the magic of
making something new from nothing.

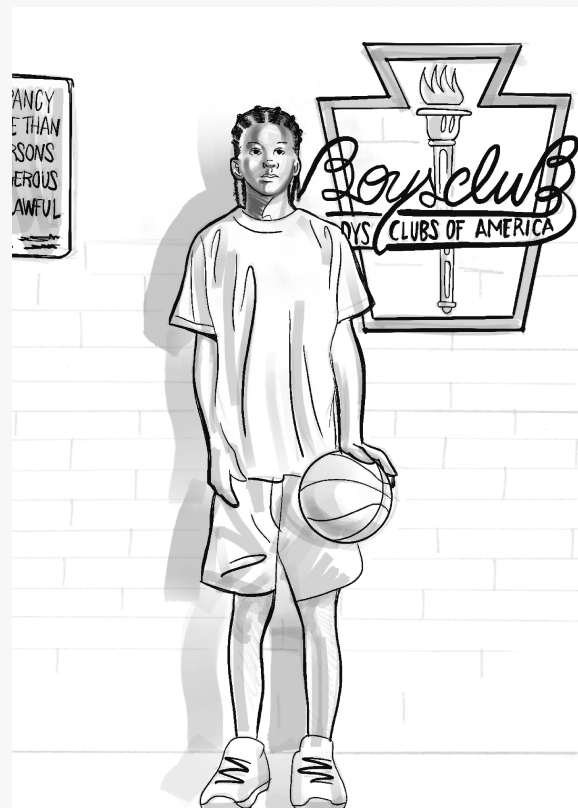

From the Core Elements to the Streets:
The Full Spectrum of Hip Hop
Through these books, kids will meet
the pioneers of Hip Hop's core
elements: the MCs spitting rhymes, the
DJs spinning beats, the B-boys and B-
girls breaking boundaries, and the
graffiti artists painting and using the
city as a canvas. But they'll also
discover the other vital threads that
make up the Hip Hop tapestry: the
beatboxers creating rhythms with their
mouths, the trendsetters defining Hip
Hop street fashion, the lyricists crafting
a new language, producers,
filmmakers, Hip Hop educators, and
the entrepreneurs building empires
from their passion.

Hip Hop is a Way of Life

A.D.'s message is clear: "These books
will transport young readers back in
time to meet the young people who dared to dream and took the future into their own hands."
