NASHVILLE, TN, UNITED STATES, February 9, 2025 /EINPresswire.com/ -- The High Mountain Breezes Label, in conjunction with its new album "Contributions" is pleased to announce its latest release of its new HMB PLAYERS single "[Heaven](#)" debuts in the #1 spot on the European Hotdisc Charts. Heaven is the second HMB Players release to hit the top of the Hotdisc charts in 2025. Earlier in January, the HMB Players single "Meet Me in Montana" also went to #1.

The HMB PLAYERS are excited to and honored to have learned that their sound that has been embraced by fans world-wide over the past four years,

with its latest release, 'Heaven' debuting on the European Hotdisc charts at #1 for the week of February 2nd, 2025. "Heaven" is the second HMB Players single to go to #1 in 2025, earlier in January 2025 their release of "Meet Me in Montana", also went to #1 on the same European charts. Both songs are currently in the top 20 with "Meet Me in Montana" in the #20 place and "Heaven" at the top of the charts. With "Heaven", The HMB PLAYERS continue their tradition of bringing their \$1,000,000 sound, with a fresh and new vibe to this soft rock / adult contemporary classic. As part of their "Contributions" theme, while honoring and paying tribute to the 42nd anniversary of Bryan Adams' release that went to #1 in June of 1985 on the U.S. Billboard Hot 100 when it was released as the 3rd single off of Bryan Adam's Reckless album. THE HMB

"True creativity, that which withstands the test of time, requires a synergy of seemingly different viewpoints, talents and experiences joined together toward a unified heartfelt message."

PLAYERS under the arrangement of Chris Leuzinger and renowned Nashville producer, Bob Bullock, definitely make the song their own. Featured Artists, the very talented Melissa (DuVall) & Ron (Wallace) bring a very heartfelt soft rock & adult contemporary feel to this High Mountain Breezes release with Melissa on lead vocals and Ron on background vocals.

"With "Heaven" being such a classic song, by Bryan Adams, we wanted to honor the original recording, and production with something different. Not trying to copy the original but producing a record to complement the singing styles of Mellissa Duval and Ron Wallace. I do think we accomplished that, while respectfully maintaining the integrity of this original classic song", said Bob Bullock, Producer, High Mountain Breezes / New West Productions. Bob has spent over 50 years in the music industry with over 50 Gold & Platinum Records to his credit.

"Heaven" was chosen as the third track for release from

our new album "Contributions" because of its classic soft rock sound that beautifully show cases the true diversity of the artistry of the HMB PLAYERS," says Bruce Tarletsky, Executive Producer and Founder of the High Mountain Breezes. "These lifelong friends who make up the HMB PLAYERS are great as session/touring players, they have accomplished so much as individuals, BUT when they come together.....IT'S MAGIC!" He went on to say, "the production on these tracks is superb, crystal clear, a source of great pride for all of us that make up the HMB PLAYERS. Whenever you have the opportunity to be part of something bigger than you, it's definitely a very special feeling, this is what my experience has been with the High Mountain Breezes."

Contributing to this song are Michael Spriggs (acoustic guitar), Duncan Mullins (Bass), Mark Beckett (Drums/Percussions), Blair Masters (Piano/Keyboards),

Chris Leuzinger (acoustic guitar). Lead and background vocals were performed by Ms. Melissia DuVall & Ron Wallace. The song was produced by Bob Bullock (Producer), Bruce Tarletsky (Executive Producer) and Chris Leuzinger (Arranger).

About High Mountain Breezes  
HMB is a collection of lifelong music friends who take time out of their professional careers to come together to reconnect, share in friendship and God-given talent to create their own style of music together. In the studio, it is a very heartfelt and spiritual experience shared among friends who love what they do as opposed to a standard studio work session.

Melissa & Ron (Melissia DuVal & Ron Wallace) Blend their artistry together for a truly heartwarming rendition of this classic soft rock & adult contemporary hit.

One player expressed the spirit of HMB very eloquently when he said, "The gift of being a worthy session player is two-fold, first; using one's palette to augment something already beautiful, and second, being trusted and skilled enough to do it."

When HMB comes together as a team, members use this sentiment for the collective whole. In a way, the HMB players are leaving their own mark on music, by creating a unique legacy. When together, it is truly a collaborative effort where time stands still. Everyone from the players, the vocalist, the songwriting team and producers contribute to our songs. When you hear one of the High Mountain Breezes' songs, you will feel the chemistry of years of friendship paired with musical mastery achieved only through each member's legendary skillset combined.

With overflowing talent, the High Mountain Breezes players have more offerings than their music alone. HMB offers songwriter mentoring sessions for those just starting out or those looking to take their skills to the next level. Imagine learning the do's and don'ts on how to write a hit from the brain behind Alabama's #1 smash "Jukebox in My Mind"! HMB is also available to consult on other artists' projects, including helping with songwriter demos and artist sessions.
