

Andreas Mueller-Schubert Brings AI Insights to Top Business Conferences

Next Gen Marketing's CEO is bridging the Gap Between AI Hype and Business Success—One Keynote at a Time

NAPA, CA, UNITED STATES, February 10, 2025 /EINPresswire.com/ -- Andreas Mueller-Schubert, CEO and Chief Strategist at [WSI Next Gen Marketing](#), is on a mission to make AI accessible for executives and business leaders, sharing his first-hand experience and proven frameworks to drive real-world impact. Following his recent keynote speech in Grand Junction, Colorado, he delivered another impactful presentation at last week's Western Association of Chamber Executives (W.A.C.E) Annual Conference in Las Vegas, Nevada.

Mueller-Schubert recently captivated attendees at the Mesa County Workforce Summit in Grand Junction, Colorado, where he provided deep insights into [AI-driven business transformation](#). Held at Colorado Mesa University, his keynote explored the practical applications of AI in enhancing business efficiency and decision-making, offering valuable takeaways for business leaders, workforce professionals, and entrepreneurs.

"Artificial Intelligence is reshaping the way businesses operate, and making AI implementation easy to understand and approachable for busy business leaders is crucial to driving successful AI adoption," said Andreas Mueller-Schubert. "I am honored to share my expertise and real-world, first hand experiences to help business leaders navigate the AI-driven future with confidence."
