

Boston International Exhibition & Convention Services 111Sign: A Global Leader in Exhibition and Conference Services

BOSTON, MA, UNITED STATES, February 11, 2025 /EINPresswire.com/ -- As a leading professional exhibition and conference service provider in the New England region, Boston International Exhibition & Convention Services 111Sign.com (formerly Krospoint Inc.) has evolved since its establishment in 2019 from a company specializing in cross-border logistics and customized factory services into a key player in the North American exhibition industry. Leveraging Boston's international resources and global network, 111Sign has established branches or representative offices in more than ten countries and regions across North America, Europe, and Asia, offering one-stop exhibition solutions for businesses.

Comprehensive International Exhibition Services Supporting Global Brand Expansion
As a full-service exhibition provider, 111Sign offers a diverse range of exhibition, conference, and branding services, ensuring clients enhance their market presence and competitive edge worldwide.

• Conference and Exhibition Services: Organizing industry trade shows, business expos, and pop-up brand exhibitions tailored to clients' needs.

ABOUT OUR FACTORY

111Sign, a full-color printing company based in Boston, Massachusetts, utilizes top-tier equipment from Epson and Heidelberg. Committed to delivering premier products and services, we offer personalized, all-in-one solutions, including flyers, brochures, banners, art prints, books, and brochures. Serving locally in Massachusetts and New York, we also retail customized products on major online platforms like Amazon and Etsy, effectively addressing latent market needs in the North American printing industry. With strategic partners across the West and Central US, by June 2023, our nationwide footprint serves over 3000 American businesses, extending into professional exhibition setup and event planning services. Dedicated to providing end-to-end services from design to production, we unlock vast possibilities for brands.

- Booth Design and Construction: Delivering innovative design solutions aligned with corporate branding to maximize exhibition impact.
- Marketing Strategy and Cultural Events: Planning market promotions, PR events, and cultural and artistic exchange activities to strengthen corporate identity.
- Graphic and Advertising Design: Providing specialized visual creativity, covering graphic design, modeling, and landscape aesthetics to support exhibition projects.

Leveraging Boston's Resources to Facilitate Global Market Expansion
As Chinese enterprises accelerate their global expansion strategies, 111Sign has established a professional exhibition service network by leveraging Boston's academic and industrial ecosystem, supporting Chinese businesses in entering the North American market.

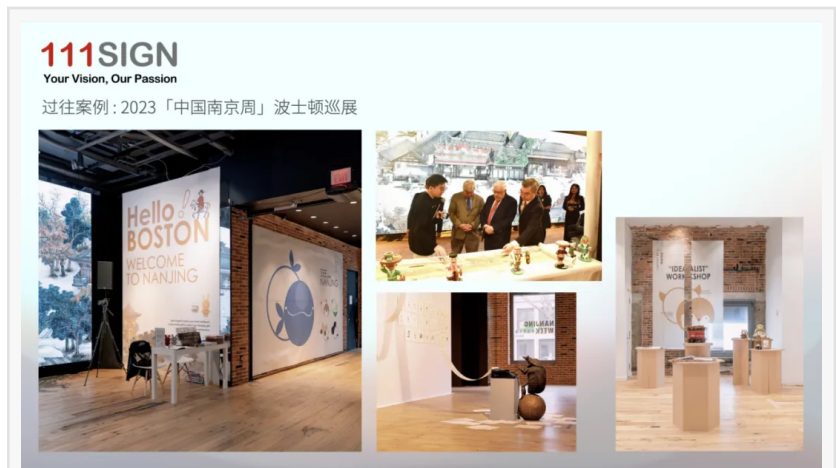

- Collaboration with Top Global Universities: Partnering with Harvard University, MIT, and other world-renowned institutions to support exhibitions in biotechnology, technological innovation, and academic exchange.

- Strategic Partnerships with Industry Leaders: Cooperating with major North American exhibition companies to organize high-profile trade shows, increasing corporate exposure in international markets.

- Proven Success Across Multiple Industries: In recent years, 111Sign has successfully hosted biopharmaceutical industry conferences, international business and trade expos, and pop-up brand events in Boston and various U.S. cities, fostering business cooperation between China, the U.S., and the global market.

Tailored Exhibition Solutions Driving Brand Growth

With extensive industry expertise and global resources, 111Sign is committed to delivering

efficient, customized exhibition services, covering the entire process from planning and design to construction and logistics.

To date, 111Sign has successfully served over 3,000 North American enterprises, spanning industries such as technology, healthcare, consumer goods, and education. The company is also expanding into the western and central U.S. markets, helping clients strengthen their brands on a larger international scale.
