

Gulf Western Roofing Partners with Taylor Morrison for Esplanade at Starling Development

Gulf Western Roofing installs durable roofing for 410 homes in Esplanade at Starling, a new Taylor Morrison community in Punta Gorda.

BONITA SPRINGS, FL, UNITED STATES, February 11, 2025 /EINPresswire.com/ -- [Gulf Western Roofing](#) has been selected to install roofing systems for the first phase of [Esplanade at Starling](#), a new community by Taylor Morrison in Punta Gorda. The initial phase of the project includes 410 single-family homes, with Gulf Western Roofing providing durable, high-quality roofing solutions to support the development's construction.

Gulf Western Roofing's scope of work features the installation of Eagle Roofing Tile. These materials were selected for their durability, aesthetic appeal and ability to withstand Florida's climate including hurricane conditions. The roofing systems include advanced Polyglass underlayment for added protection and longevity.

Work on the project began in September 2024 with significant milestones including the completion of roofing for model homes. Gulf Western Roofing's involvement underscores its reputation for delivering high-quality, reliable service across residential developments.

The Esplanade at Starling reflects Taylor Morrison's dedication to creating vibrant communities that blend style, comfort and resilience. Gulf Western Roofing's contribution ensures the project's homes are built to last while enhancing the overall aesthetic of the neighborhood.

This residence in Esplanade at Starling features a Gulf Western Roofing-installed Eagle Roofing Tile roof, designed for durability and weather resistance in Florida's climate.

We're proud to partner with Taylor Morrison on Esplanade at Starling, bringing 25+ years of expertise to deliver durable, high-quality roofs that enhance homeowners' lives."
