Spicy first time pleasures, island adventures,

and interplanetary twists and turns await our intrepid heroes. However, back in the Andromeda Galaxy malevolence threatens everything they love. Will they overcome ongoing danger or will evil prevail?”

The book's blurb entices readers, “If you long to have love in your life this story's outstanding HEA will inspire you to pursue it.” Readers desiring their own happy ever after are energized by real life details of beautiful Maui, where the interstellar lovers are brought together.
