EAST BRUNSWICK, NJ, UNITED STATES, February 12, 2025 /EINPresswire.com/ -- Tejal Darji, DMD of Crystal Smiles LLC, has been reviewed and approved by NJ Top Dentists based on merit for 2024. Dr. Tejal Darji, a New Jersey native, discovered her passion for dentistry at a young age. The pivotal moment occurred when her grandfather's friend allowed her to shadow him during summer break of senior year in high school. "Seeing patients leave with a sense of joy felt like Christmas morning every day. I felt right at home. I knew this was the field I wanted to pursue," Dr. Darji recalls.

A graduate of Rutgers University, Dr. Darji earned dual degrees in psychology and biology before attending Rutgers School of Dental Medicine. She completed her residency at Monmouth Medical Center, where she was named Resident of the Year in 2015. Dr. Darji specializes in all facets of dentistry, with a focus on cosmetic and aesthetic cases, helping patients achieve confident, beautiful smiles. The most rewarding part of her work is hearing from patients how much she has changed their lives. "When patients tell you they wish they had found you sooner, it makes this demanding field worthwhile," she says.
