

# \$10,000 FORTIFIED Roof Grants Now Available for Louisiana Homeowners – Here’s How Vinyltech Roofing Can Help

*Vinyltech Roofing Helps Homeowners Secure \$10,000 Grants for Storm-Resilient Roof Upgrades and Hurricane Protection*

NEW ORLEANS, LA, UNITED STATES,  
February 11, 2025 /EINPresswire.com/

-- Imagine turning your storm-vulnerable roof into a hurricane-resistant powerhouse—and having

someone else cover the bill. Thanks to the Louisiana Fortify Homes Program (LFHP), that dream could become reality for 1,000 lucky homeowners. Starting February 12, Louisiana residents can enter the lottery for \$10,000 roof upgrade grants to meet FORTIFIED Roof Standards, and [Vinyltech Roofing](#) is ready to help every step of the way.

“We’re not just replacing roofs—we’re changing how Louisiana faces storms,” said Shane Mulkey, founder of Vinyltech Roofing. “Our team knows exactly what it takes to meet FORTIFIED standards, and we’re excited to see more homeowners take advantage of this life-changing program.”

### Why Apply for a FORTIFIED Roof Grant?

**Protection from Extreme Weather:** FORTIFIED roofs are engineered to withstand hurricane-force winds, drastically reducing storm damage and costly repairs.

**Insurance Savings:** Many insurers offer significant discounts on premiums for homes with FORTIFIED roofs, saving homeowners money long-term.

**Peace of Mind:** Your home is one of your biggest investments—protect it with the latest [storm-resilient technology and expert installation](#).
