Scott J. Manning, MBA, Dental Success Today Founder and the Authority on the Business of Dentistry. “It’s a simple, proven system to engineer your dental practice for maximum profitability without working longer hours or sacrificing patient care.”

The “Profit on Purpose Toolkit” includes a proprietary Training Video, Quick Start Report and Implementation Guide to help dentists:

- Attract and keep an All-Star Team that performs at the highest level;

"It really can happen... I mean these things don't just happen by themselves, but it's not as hard as you think it's going to be. If you take one step at a time and keep the focus and stick with the guidance it's going to work. It works better and faster than I thought." Dr. Cioffi, Florida.
