

RealtyMulti's EZ-Listing Revolutionizes Property Selling with a Flexible Membership Model

Operating on a flexible membership model, EZ-Listing allows property owners to tailor the length of their membership according to their needs.

NEW YORK CITY, NY, UNITED STATES,
February 13, 2025 /EINPresswire.com/
-- Flexible Membership Model Offers
Unprecedented Control

EZ-Listing with RealtyMulti Helps You Save Agent Fees While Still Getting All the Traffic and Support

RealtyMulti is thrilled to announce the launch of [EZ-Listing](#), an innovative

service designed to revolutionize the property selling process. Operating on a flexible membership model, EZ-Listing allows property owners to tailor the length of their membership according to their needs. With a monthly subscription that can be canceled anytime once the

property is sold, EZ-Listing ensures that owners have full control over their selling journey. Additionally, if the property remains unsold for six months, the service offers a "listing for free" option as a reward for loyalty, keeping the listing active without further membership charges.

“

Joining EZ-Listing was the best decision I made for selling my property. The savings on agent fees and the support from their expert team made the process smooth and profitable.”

Customer*

Guaranteed Success in Prime Locations

EZ-Listing guarantees success in selling properties, provided the pricing aligns with market conditions. The primary service coverage includes Connecticut (CT) and New York (NY). Members can also enhance their experience by using other RealtyMulti products. Even in other states, where the service is provided through valued

partners, EZ-Listing ensures a seamless and efficient listing process. Furthermore, [Sell by Owner](#) properties have access to thousands of websites to bring them traffic, similar to listings handled by agents in conventional ways.

A Human Touch in a Disruptive Service

This service disrupts the traditional real estate industry while maintaining a human touch, ensuring a better experience for property owners and sellers. The project director, Simon L., brings extensive expertise to the table. An experienced agent with a master's degree from Harvard, Simon L. ensures the seamless delivery of the service, making EZ-Listing a reliable choice for property sellers.

Competitive Advantage for Property Owners

One of the key advantages of EZ-Listing is the significant [savings on agent fees](#).

This cost-saving measure makes property owners more competitive in the market, allowing them to sell faster or increase their profit margins. EZ-

Listing exemplifies RealtyMulti's core value of delivering greater value to its clients, ensuring a win-win situation for all parties involved.
