

# Adeline V. Lopez Releases Dark Pop Ballad "Blood & Lilac" on Valentine's Day

*An edgy, noir music video for Blood & Lilac completes the arresting Valentine's package*

NEW YORK, NY, UNITED STATES, February 12, 2025 /EINPresswire.com/ -- [Adeline V. Lopez](#) will drop a new single on the complexities of love in time for Valentine's Day.

"[Blood & Lilac](#)" is a powerful new track about holding multiple emotional truths at once. Lopez describes a relationship spectrum that includes both the pain of blood but also the beauty of lilac. Her airy harmonies and the track's unsettling feel capture the complex conflicts of our intimate relationships. Blood & Lilac reminds us that restricting our inner narratives to black and white choices deprives us of nuance in our experiences.
